## About Us

CFS-AlgalR delivers premium vegetarian Omega-3 sourced directly from microalgae. With over 11 years of expertise and certified food-grade manufacturing, we offer clean, reliable omega-3 for everyday wellness.

### Why Algal Omega-3?

- ✓ 100% vegan & fish-free
- ✓ No heavy metals, allergens, or fishy burps
- ✓ Odorless, easy-to-swallow softgels
- ✓ Gentle on digestion
- ✓ Sustainable and planet-friendly

## Our Promise

Backed by science and crafted under strict quality standards, our omega-3 supports **brain, heart, and eye health**—pure nutrition you can trust, every day.

## Our Values

Quality

Innovation

Integrity

Customer Focus

## Product Overview

Our Algal Omega-3 Softgels deliver high-purity DHA and EPA derived from sustainably cultivated microalgae. Designed for daily wellness, these softgels provide clean, stable, and highly bioavailable omega-3s—without the drawbacks associated with fish oil.

## Available Forms

### Standard Strength

**DHA 100 mg + EPA 50 mg per softgel**

Daily wellness support for brain, eye, and overall health.

### Medium Strength

**DHA 200 mg + EPA 100 mg per softgel**

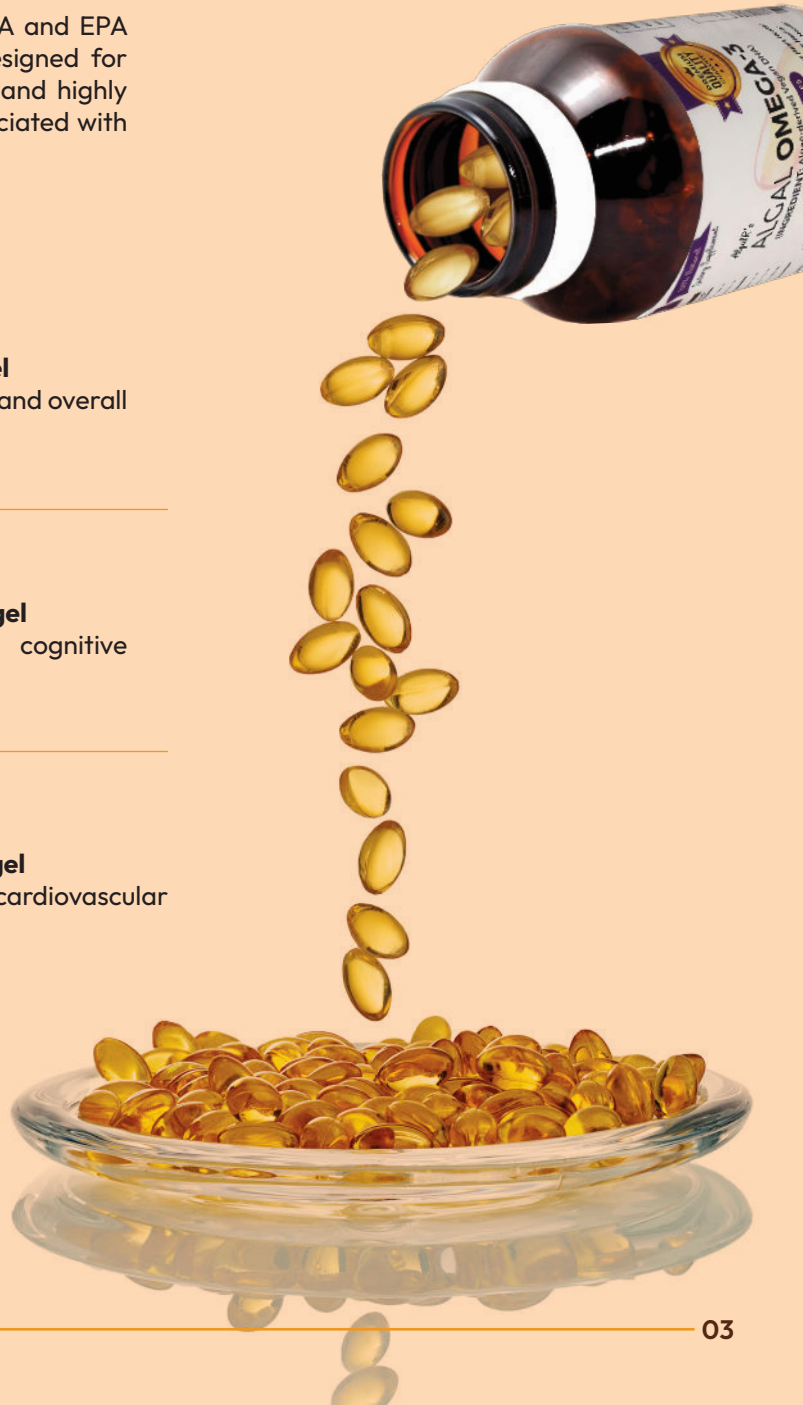

Enhanced support for heart and cognitive health; ideal for active adults.

### High Strength

**DHA 400 mg + EPA 150 mg per softgel**

High-potency omega-3 for targeted cardiovascular and neural support.

## What makes Algal Omega-3 Oil better than fish oil?

Fish Oil	Parameter	Biosus Omega-3
Fish	Origin	Algae
Non-vegetarian	Diet Pattern	Vegetarian
Comes with accumulated toxins such as Dioxin and Polychlorinated biphenyls	Toxins	Algae cultivated in fermenters
Present	Heavy Metals	Below Detectable Limit
Yes, due to heavy metals	Rejection Risk	No, because below detectable limit
Prone to oxidation	Oxidation	Omega-3 oil protected with a proprietary blend of natural antioxidants
Oxidized fish oil has a negative impact	Health Impact	Stable Omega-3 oil enhances bioavailability and improves health
Possible contamination – not always known	Steroids, Pesticides & Antibiotics	Our algae is cultivated under stringent, controlled conditions.
Not sustainable	Sustainability	Highly sustainable
No	Allergen-Free	Yes
Fishy taste and reflux common	Taste & After-Burp	Neutral taste, no fishy after-burp
Variable, dependent on fishing source	Traceability	Full traceability from fermentation to capsule

## Product specification

Product	DHA/EPA per Capsule	Recommended Dose	Pack Size	Form	Application	Source	Certifications	Color
Biosus Algal Omega-3 Capsules (Low Dose)	100mg DHA + 50mg EPA	2 capsules/day	60 capsules	Softgel	Dietary supplement	Microalgae	FSSC22000-V6, Halal, Kosher, Vegan.	Pale yellow

**N, Neutral odor and taste; C, Characteristic marine odor and taste**

## Discover the Powerful Benefits of Algal Omega3

### Brain Health Support

Enhances cognitive function, memory retention, and mental clarity across all age groups.

Reference: Yurko-Mauro K. et al. "Beneficial effects of docosahexaenoic acid (DHA) on cognitive function in age-related cognitive decline." *Alzheimer's & Dementia*, 2010; 6(6): 456-464.

### Eye Care Benefits

Rich in DHA — essential for maintaining retinal health and supporting clear vision.

Reference: SanGiovanni J.P. & Chew E.Y. "The role of omega-3 long-chain polyunsaturated fatty acids in retinal health." *Progress in Retinal and Eye Research*, 2005; 24(1): 87-138.

### Heart Wellness

Promotes cardiovascular health by balancing blood lipids and reducing inflammation naturally.

Reference: Mozaffarian D. & Wu J.H.Y. "Omega-3 fatty acids and cardiovascular disease: effects on risk factors, molecular pathways, and clinical events." *Journal of the American College of Cardiology*, 2011; 58(20): 2047-2067.

### Women's Health

Supports pregnancy, fetal brain and eye development, lactation, and overall hormonal wellness.

Reference: Carlson S.E. & Colombo J. "Docosahexaenoic acid and arachidonic acid nutrition in early development." *Advances in Pediatrics*, 2016; 63(1): 453-471.

### Sexual Wellness

Enhances libido and sexual function by improving circulation, mood, and hormonal balance.

Reference: Oliveira D.C.R. et al. "Omega-3 supplementation improves endothelial function and sexual function in women." *Journal of Sexual Medicine*, 2018; 15(5): 702-710.

### Weight Management

Supports healthy weight control through improved metabolism, appetite regulation, and energy balance.

Reference: Buckley J.D. & Howe P.R.C. "Long-chain omega-3 polyunsaturated fatty acids may be beneficial for reducing obesity—a review." *Nutrients*, 2010; 2(12): 1212-1230.

## FAQ | Your Questions, Answered

### **1. What is the source of omega-3 in these capsules?**

Our Omega3 capsules are derived from microalgae, offering a sustainable alternative to traditional fish oil.

### **2. Are Omega3 Capsules suitable for daily use by all ages?**

Absolutely. They're safe for children, adults, and seniors alike. Dosage may vary depending on age and health goals.

### **3. Is there any fish oil or animal ingredient inside?**

No, our capsules are 100 % vegetarian and free from marine, animal-based, or allergenic ingredients.

### **4. Will I experience any aftertaste or digestive issues?**

These capsules are neutral in taste and easy to digest—ideal for sensitive users or those avoiding fishy burps.

### **5. Can pregnant or lactating women take DHA Capsules?**

Yes, DHA plays a vital role in maternal and infant brain development. Please consult a healthcare provider before use.

### **6. How do I store the capsules properly?**

Store in a dry, cool place away from direct sunlight. Unopened packs do not require refrigeration.
